Skilled sound & light engineer available.

Backline

We do not charge equipment rental.

NOISE CONSTRAINTS

From now the room is equipped with a limiter, if you plan to bring some extra or personal sound equipment (mixer, speakers, etc.) it will be done with our prior agreement.

Please be aware that due to the neighborhood, we have to be careful with noise levels and for drummers please try to avoid a 22-inch bass drum for example.

COMMUNICATION

Can you please complete this form quickly.

RECORDS

We have an independent record store in the Kraspek Myzik. We only take vinyls releases. All formats. For other support see directly with the record store.

you can leave 5 albums, including one demo, to be sold in our record store, or to bring when you come to the concert, either

upstream for better promotion of the concert. For all the info, contact on disk.kraspek@gmail.com or +(33)4.69.60.49.29

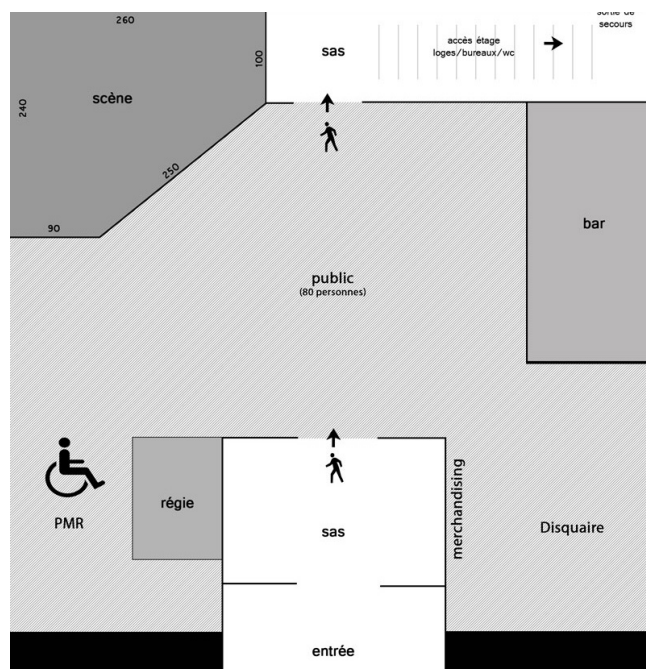

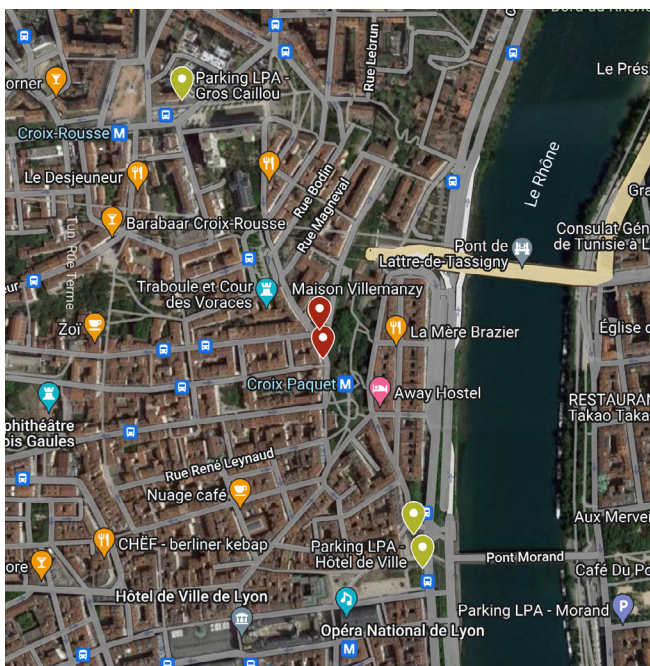

DETAILS

We cannot assure snack upon arrival groups.

Hot meals and hot home cooked food is served between 7pm to 8pm

We only have 1 dressing room for both groups.

PLAN & ACCÈS

PARK

We do not have a parking space, the easiest way to unload equipment is to make a «minute stop» in front of the club at 20 Montée Saint Sébastien 69001. However, avoid reaching the club by the «bottom» of Montée Saint Sébastien which has become one-way, rather reach the place by the plateau of the red cross, taking the ascent of the loop. Once the unloading is finished, you will have to find a place in the district, there are often some in the rue des fantasques 69001, otherwise prefer the district of Croix Rouse and the slopes of the Croix Rouse. You can also find [our map](#) with access to different car parks.
